Hello, and Welcome to the first 1992 issue of "BANned From the Field"! For you newcomers (and all you old marchers who are still clueless), this is our very own MRD "undercover" newsletter, so to speak. About every month an issue will come out filled with entries from none other than YOU! Stay tuned for how you can get involved!!!!!! Oh, and have a good year! AND NOW... (AND NOW...) we'll pause for a commercial break from our sponsor...

Dear MRD's,

WELCOME! It is great to have you here at JMU and with one of the finest marching bands in America! We can begin school now that you are here! SEE YA' NEXT ISSUE!!!

Gossip Corner!!

Ah... now, the moment you've all been waiting for. You'll see these mild mannered men (and woman) in the band room and on the field. But, what are they REALLY like???? Enquiring minds want to know!!

Dr. Pat Rooney

Dr. and Mrs. Rooney have a special interest in our football team, they also enjoy exercising and playing with Maddy - hey, who's Maddy? Anyways, Dr. Rooney won't be our fearless leader for long, rumor has it he's planning on joining Ross Perot as his running mate when he makes his big re-entry into the Presidential Race. Watch your PO box to make your pledge.

George Megaw

George is George. He is the biggest stockholder in Folgers, Inc. He also likes to fly over the beautiful Shenandoah Valley and sit in his hot tub. The editor regrets that she cannot find any scum on George...but will pay good money for any gossip... :)

Bill Posey

Rumor has it that Bill has been asked to pose for the December issue of PlayGirl magazine after his smashing success as the June issue centerfold - he only had on his flip-flops! (WHEW!!) (Oh, keep your toes up or he'll have you marching on your heels!)

Bill Rice

Yes, the one with the curls! (Double WHEW!!) Bill owns a big island in the Pacific (I believe it's called Hawaii) and enjoys playing golf at Waikiki Beach. He's a "righty" though, but the editor won't hold that against him - he does wear nice ties! His dream is to be a BVD model - we'll keep our fingers crossed!!! :)

Gossip continued!

Tony Falcone

Tony is also an avid golfer - rumor has it that he's a preferred customer at the mini-golf course behind the mall where he is constantly practicing on his short game. Tony told me a while back that he finally broke a 100. I said, "That's a great score for a beginner playing 18 holes", he replied, "You mean there's a back nine to that course, too?" Tony, you'll have to settle for a navy jacket instead of a green one for now.

Ray Lynch

Yes, he's the one in the red car - yeah, that's right, the one with the parking tickets. Looks like "Ray Retail" may actually be going retail! Over the summer, "BANNed" talked to Ray about his hopes of starting a flag-making service. Look out Liz Claiborne, Ray's taking over! If you have any ideas for a name for this endeavor, see Ray - he'd appreciate it.

Steve Rice

This is Steve's second year as our Grad ASSistant. (No, he's not from West Virginia, and DON'T make fun of the way he talks!!!!) We love you, Steve! Steve's a "wild cat" at heart and his hobbies include studying Mexican culture, salad facials, and driving the band truck. Ask him about the time when he.... oh, never mind!

Connie Driscoll

Connie is so sweet and is always on the ball. (Where do you think we get all our news from???) Connie is an honorary MRD as well as our other Mom. She is our Band Secretary and one of her main duties is to keep the staff in-line. (Boy, we know how hard that would be!)
